## EDUCATION

---

MCEE Senior pursuing a Bachelors degree in Petroleum Engineering from the University of Oklahoma.  
Expected graduation May, 2009

---

## EMPLOYMENT HISTORY

---

### **Drilling Engineer Intern** Summer 2008

*Chaparral Energy LLC, Oklahoma City OK*

Constructed a case study in Garvin County, OK involving drilling practices developed during the first seven wells drilled in that field to drill less expensively and more efficiently.

Created AFE's and Drilling Prognosis for multiple wells in Chaparral's Mid-Continent division.

Spent time in the field attending spud meetings and pre-direction meetings on location.

### **Reservoir Engineer Intern** Summer 2007

*XTO Energy, Ft. Worth TX*

Worked on a study to forecast CBM production in the Raton Basin based upon initial water /gas production, and initial reservoir pressures.

Extensive use with Aries software for decline curve analysis.

Used Petra to create detailed maps for other reservoir engineers.

### **Operations Engineer Intern** Summer 2006

*XTO Energy, Farmington NM*

Built Wellbore diagrams and wrote well histories for wells in the San Juan Basin.

Wrote AFE's, work over procedures, and frac designs.

Field experience with pumpers, foremen, and roustabout crews.

---

## CAMPUS INVOLVEMENT

---

### **Society of Petroleum Engineers**

Active member since sophomore year attending most events and participating in the SPE freshmen mentoring program for the past two years. Worked the Oklahoma City High School Engineering Fair the past two years with SPE and also participated in "The Big Event" through SPE.

### **OKLAHOMA RUF/NEKS**

Held pledge class president position as a freshmen in the club. Eared the title of Sooner Schooner Driver sophomore year and by junior year was the Sr. Sooner Schooner Driver. Served on the officer core for the past three years under various positions. Participated with the RUF/NEKS in "The Big Event".

### **American Association of Drilling Engineers**

Active member for the past two years.

### **Engineers Club**

Member, freshmen year.

---

## HONORS RECEIVED

---

Dean's Honor Roll Sophomore and Junior year.

---

## SOFTWARE EXPERIENCE

---

Microsoft Office Suite, ARIES, PETRA, PI/Dwights, Enertia, KINGDOM
